

YOU CAN HELP **SAVE OUR SCHOOL**

On October 25th Denver Public Schools announced the intention to close Whittier ECE-8, along with nine other DPS schools.

This closure would completely dismantle Whittier ECE-8 as a school option, forcing students into six different enrollment zone schools.

The announcement was framed as a done deal, this is **not true!**

You can HELP by taking action!

On Thursday November 17th, the school board is set to vote on this proposed closure. Numerous board members have reservations about the closure and its impact on our kids, families, and greater community.

Please **ACT NOW** and make your voice heard. Scan the QR Code to email our elected board members.
